

Magma Robotics Team 3008

2023-2024 Season

Student Contract

This contract is designed to ensure that every student fully understands the expectations of the team. Participation in the team will require a large commitment on your part. To be a part of the team, you must:

- Maintain a minimum of 3.0 GPA.
- Complete and return all paperwork and make all payments in a timely manner.
- Understand that there will be consequences for any inappropriate behavior (e.g., sent home).
- Understand the responsibilities of all student leaders and respect their authority.
- Support the ideals of FIRST and the goals of our team.
- Be accountable for your attendance and productivity as a member of the team.
- Participate in at least four (4) outreach events.
- Participate in a minimum of twenty-five (25) volunteer hours.
- Participate in the monthly shop cleanup days.
- Join the team discord server and be diligent to check emails and notifications.
- Understand that the development of a robot is a cooperative learning experience for both mentors and students.
- Follow all guidelines and safety procedures when operating heavy machinery.
- Keep the work areas clean and organized prior to leaving.
- All students shall not be picked up until the end of each work session. If needed to leave earlier, please check in with mentor(s) before leaving J2B.
- Provide Captain with at least 24 hours notice if you cannot attend a meeting.
- Exhibit appropriate behavior at all times. This includes behavior within the classroom and school as well as competition or events. No foul language should be used at any time.

I have read the Magma Robotics Team 3008 Student Contract and I understand that if I wish to be a member of the team, I will be required to earn that privilege by participation in the activities mentioned above.
